## FERRET SOCIETY OF CANBERRA (FSOC) LIABILITY WAIVER

The Ferret Society of Canberra is a non-profit organisation with limited funds, and as a result the FSOC is unable at this time to take out any form of liability insurance.

In order to still hold functions for its members and the public, it is necessary that the intended visitors to these functions read, understand and agree to the following waiver against liability to the association and its individual members and organisers.

Please read the following carefully and understand that it is a condition of entry to and participation in any of the events held by the Ferret Society of Canberra that you have read, understood and agreed to the conditions and terms laid out below.

I (full name) \_\_\_\_\_ of

(address) \_\_\_\_\_,

understand and agree that:

- the Ferret Society of Canberra holds group meetings and events that include live animals, and that by their nature, live animals can be unpredictable; and that their behaviour may be out side of the control of their owners or event organisers.
- whilst all reasonable precautions have been taken that it is a condition of my participation and entry to these events that I take full responsibility for my own safety, and the safety of all animals in my care; and that should injury, loss or death occur that I will not hold the FSOC, any of it's individual members or any of the organisers responsible or liable in any way.
- the FSOC and its organisers can not be held responsible for the actions of individuals and their compliance to vaccination, parasite, worming or disease prevention, and that any time I allow my animals or myself to interact with other animals I do so at my own risk and that if as a result injury, illness or death occur that I will not hold the FSOC, any of it's individual members or any of the organisers responsible or liable in any way.
- I am responsible for the safety and safe keeping of all my possessions and equipment and that should loss or damage occur I will not hold the FSOC, any of its individual members or any of the organisers responsible or liable in any way.

I understand that by signing this and participating in any of the meetings or events held by the Ferret Society of Canberra at any time here after that I am abiding to this waiver and all of the conditions above completely and without question, and at any time in the future that I should change my mind or no longer agree with these conditions it will be my responsibility to contact an official from the association and resend my agreement prior to attending any event.
